This 2016 Russian River Valley Pinot Noir comes from the site formerly known as Keefer Ranch. Sandler has been getting clone 23 from this location since 2008. Marcy Keefer passed away in the fall of 2017, so this wine is dedicated to her memory. As is usually the case with this vineyard, it has produced both the highest acid and also the most fruit forward Pinot of the Sandler line up. The recommended drinking window is between 2019 and 2025.
