The 2015 Keefer Ranch Pinot Noir is not the typical Keefer for Sandler. In most vintages, Keefer is among the more delicate wines of the Sandler line up, always with intriguing aromas and high acidity. The aromas and acid are still there in 2015, but there's an added richness and depth to this Keefer we've never seen before. Expect the '15 Keefer to evolve more slowly than usual. Give it a few years in the cellar before it opens up fully, probably from 2018 through 2026.
